Hi Emy,

It's come to my attention that the PDF is locked so people are unable to make comments. Is it possible to get an editable version (pdf or word)?

Thanks!

Christine

Subject: Consolidated EPA comments on the Oak Ridge EMDF D1 ROD

Good Afternoon,

Attached please find a copy of the comment letter that EPA Region 4 intends to issue to the DOE related to the Oak Ridge Reservation Environmental Management Disposal Facility on September 30, 2021. EPA

Region 4 received a total of 69 pages of comments from the various EPA HQ Program Offices in addition to extensive Region 4 (program, ORC and contractor) comments. Each comment was individually reviewed, retained, consolidated, edited, or removed based on duplication, topic refinement, or with the foreknowledge that planned documents are in revision.

Before sending the letter, we are respectfully requesting that your office conduct an expeditiously and broad review of the attached document for any “show-stoppers”. Our intent is not to have your staff perform a rewrite/edit of the comments but rather to specifically identify issues missed in these comments that are deemed critical/essential.

Please send your comments to Cathy Amoroso and Emerald Laija by Tuesday, September 28, 2021 in order to comply with our deadline of September 30, 2021.

Thank you for your assistance in this matter.

Sincerely,

Ramon Torres,
Acting Director
Superfund & Emergency Management Division
